## ELIZABETH BESWICK IS YOUR CONSERVATIVE CANDIDATE FOR THE TOWN COUNCIL BY-ELECTION

**Local GP Elizabeth Beswick is your Conservative Candidate for the forthcoming by-election to Knutsford Town Council, to be held on Thursday 5th April.**

■ My name is Elizabeth Beswick, and I have lived in and around Knutsford for a number of years.

I have been a GP for most of my working life, and I am a firm believer in the NHS. As a GP I am also good at listening to people's concerns, which I believe is a very important skill for a councillor to have. If elected I will use the experience I have gained in this area to help

you and other residents in whatever way I can.

Over recent years I have seen all the exciting things that have been happening in Knutsford; much brought about by the actions and interventions of the Conservative-controlled Town Council. I am keen to join this team and to work with them to ensure that Knutsford continues to be a great place to live and work.

### News from Cheshire East Council

## CONCERN ABOUT POTHOLES

■ Our roads are in dire need of repair, so I was pleased to see that a Conservative councillor on Cheshire East council was successful in her bid to increase this year's budget by a further £1.75 million for additional investment in our highways.

If elected I will work with my Cheshire East colleagues to

ensure Knutsford's roads benefit from this additional money.

On a positive note I am advised that the repairs programme has now begun and

will continue for the next few months. You can help by reporting any potholes near you on the Cheshire East Council website, [www.cheshireeast.gov.uk](http://www.cheshireeast.gov.uk)

## NEIGHBOURHOOD PLAN

■ The Local Plan Inspector has confirmed that we should have 950 houses built over the next 12 years. I want to make sure that these new developments are of a high quality and bring with them the necessary infrastructure to support the needs of these new residents.

I therefore look forward to working with those involved with the Neighbourhood Plan to ensure this happens.

# KNUTSFORD WAR MEMORIAL HOSPITAL

Like many local residents I am saddened by the proposed demolition of the Memorial Hospital on Northwich Road.

Whilst I am sympathetic to the aims of the campaign to save it, this

unfortunately seems unlikely to succeed, therefore I fully support the efforts of Knutsford Town Council and our MP, Esther McVey, in securing some financial benefit for Knutsford residents should the proposals go ahead.

## ESTHER MCVEY MP BACKS ELIZABETH BESWICK

I am delighted to hear that Elizabeth has decided to stand for Knutsford Town Council. I have been out meeting residents with her and am impressed by her local knowledge and understanding of residents' issues.

I know her professional skills will enhance those of the existing Councillors and I look forward to working with her further after her election.

## TRAFFIC ISSUES

As a GP I am aware of the harm that poor air quality can have on the health of people; young and old. Locally it is the fumes from cars that have the greatest impact: a situation that is made worse by queueing traffic.

This is why I want to make sure that everything possible is done to alleviate the current traffic problems in town, and if elected I will work with my colleagues and others to bring this about.
